Will you help us reach that goal, and support free and unrestricted digital literature? Join the patrons circle The gentleman-thief Arsène Lupin returns in this set of ten short stories to confess—or perhaps boast about—his crimes to the unnamed narrator. Mostly set around Lupin's attempts to frustrate Chief-Inspector Ganimard and pocket some cash in the process, they also show off his knack for escaping from seemingly impossible situations, and even playing the role of the master detective. In the chronology of Arsène Lupin, these tales were published after, but set before, the darker stories of The Hollow Needle and 813. They were serialised in Je Sais Tout from 1911, and collected into a single publication in 1913. This ebook is only thought to be free of copyright restrictions in the United States. Help us reach 70 new patrons by August 7 We want to make Standard Ebooks a sustainable project that can support the huge amount of work it takes to maintain and operate. Welcoming 70 new Patrons Circle members by August 7 will help keep us on the stable financial footing we need to continue producing beautiful ebooks. Will you help us reach that goal, and support free and unrestricted digital literature? Join the patrons circle In the process of writing his memoirs, Arsène Lupin takes us back to his early twenties and his first love: Clarice d'Etigues. Although forbidden by her father to meet, that doesn't stop Ralph d'Andresy—Lupin's nom du jour—from wooing Clarice. But when he finds evidence on the d'Etigues estate of a conspiracy to murder a woman, he cannot help but be drawn into the ensuing three-way race to a legendary treasure. Memoirs of Arsène Lupin was originally published in France in 1924 under the name La Comtesse de Cagliostro; this English translation was published the following year. Maurice Leblanc was not the only author to call on the myth of Cagliostro as a framing device: both Goethe and Dumas had written famous novels on the subject. This story showcases a Lupin who is growing into his abilities, and with the swings between outright confidence and self-doubt that would be expected of so comparatively young a protagonist. As most of you are probably aware, Lupin is a French mystery thriller with an outstanding lead actor, Omar Sy, who plays professional thief Assane Diop. Even though George Kay and François Uzan's creation premiered on January 8th,2021, it has already been streamed on over 70 million NetFlix accounts. Simply Outstanding. Though George and François deserve so much praise for Lupin's success, the show draws inspiration from Arsène Lupin, Gentleman-Thief by Maurice Leblanc. Maurice's work also inspired memorable titles such as Ocean eleven.PlotArsène Lupin, Gentleman Burglar, is not a novel, but instead the first collection of short stories of the brilliant character created by Maurice Leblanc. Arsène Lupin is a genius and charismatic thief whose talents earned him the alias, the Sherlock Holmes of crime. The similarity in the characters leads to the story of Arsène Lupin versus Herlock Sholmes. Due to copyright, Sherlock changed to Herlock. Regardless, the tale offers readers a fantastic battle of genius between these legendary fictional characters.Arsène Lupin also holds similarities to the character Robin Hood. Though he might not have a band of merry men, Lupin believes in taking from the rich and giving to the poor. The French investigator who tries his best to stop Lupin is also a victim of his criminal prowess. Returning focus the first collection. The collection's release date was June 7th, 1907, and contained eight adventures. These adventures had the titles: The Arrest of Arsène Lupin, Arsène Lupin in Prison, The Escape of Arsène Lupin, The Mysterious Traveller, The Queen's Necklace, The Safe of Madame Imbert, Sherlock Holmes Arrives Too Late, The Black Pearl, and Seven of Hearts. To give a feel for the stories, the following are two summaries of tales from the collection.The Arrest of Arsène LupinThe infamous Arsène Lupin travels to America by stowing away aboard a ship. When the ship's guests learn that Lupin is aboard, Bernard d'Andrèzy leads the search for the thief. Unfortunately for the guests, they have only tidbits of information to go on. Vague descriptions of someone's appearance will only help so much. Unfazed by the commotion on the ship, Lupin pilfers a woman's jewels. Unknown to Lupin expert inspector Ganimard is at the ships' dock awaiting his arrival. He later successfully arrests Lupin, masquerading as Bernard, while keeping the stolen jewels hidden in his camera.Arsène Lupin in PrisonArsène Lupin, while imprisoned in La Santé Prison, sends a letter to Baron Nathan Cahorn. The master thief demands the Baron to send him several of his valuables. If the Baron refuses, Lupin will come on September 27th to steal to take them and more. The Baron acquires the aide of detective Ganimard and two of his men to guard his valuables on the announced date. Despite the guard's presence, the Baron's valuables are gone. Ganimard asks Cahorn not to tell people he was there and begins a secret investigation. Ganimard is labeled as the thief attempts to clear his name by going to see Lupin in prison. There the detective learned he hired Lupin as one of the guards. Lupin also declares that his arrest was due to distraction from Miss Netty and that he will not be present at his trial.Quotes:"I shall not be present at my trial." — Maurice Leblanc, Arsène Lupin, Gentleman-Thief"So much the better if no one can ever say with absolute certainty: There is Arsene Lupin! The essential point is that the public may be able to refer to my work and say, without fear of mistake: Arsene Lupin did that!" — Maurice Leblanc, Arsène Lupin, Gentleman-Thief"What a pity that I am not an honest man!" — Maurice Leblanc, Arsène Lupin, Gentleman-Thief"It was a strange ending to a voyage that had commenced in a most auspicious manner." — Maurice Leblanc, The Extraordinary Adventures Of Arsène Lupin, Gentleman BurglarReferences Gentleman-Thief – Arsène Lupin from below or purchase a copy from Amazon.All soft copy books of (Arsène Lupin) Gentleman Burglar acquired through Reading Sanctuary require you to leave a review on the book's Amazon page to help authors.
